Step 1: Enter your gmail ID

Connect Your YouTube & Discord

Email Address

sample@gmail.com

YouTube Channel URL (or ID)

https://youtube.com/channel/UC...

Discord Webhook URL

https://discord.com/api/webhooks/...

🔒 Your information is secure.

Connect

Step 2: Enter your YouTube Channel ID

- Go to [YouTube Studio](https://www.youtube.com/account_advanced) (https://www.youtube.com/account_advanced)
- Copy this UID (Which starts with UC):
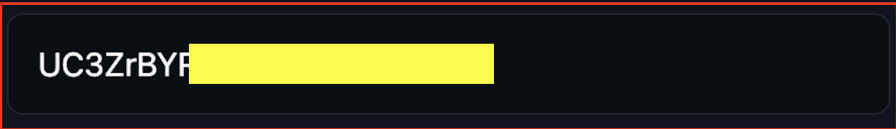

- Paste it here:

Connect Your YouTube & Discord

Email Address

you@example.com

YouTube Channel URL (or ID)

UC3ZrBYF

Discord Webhook URL

https://discord.com/api/webhooks/...
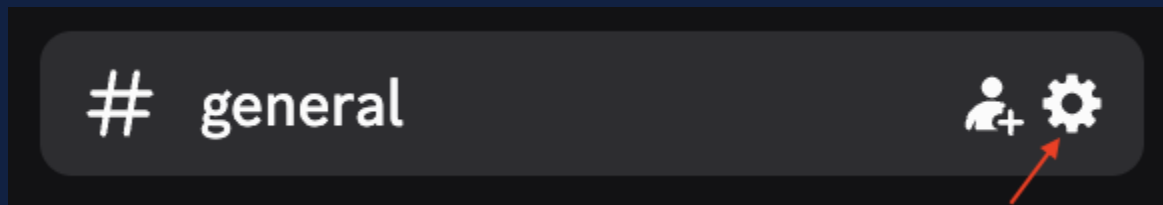

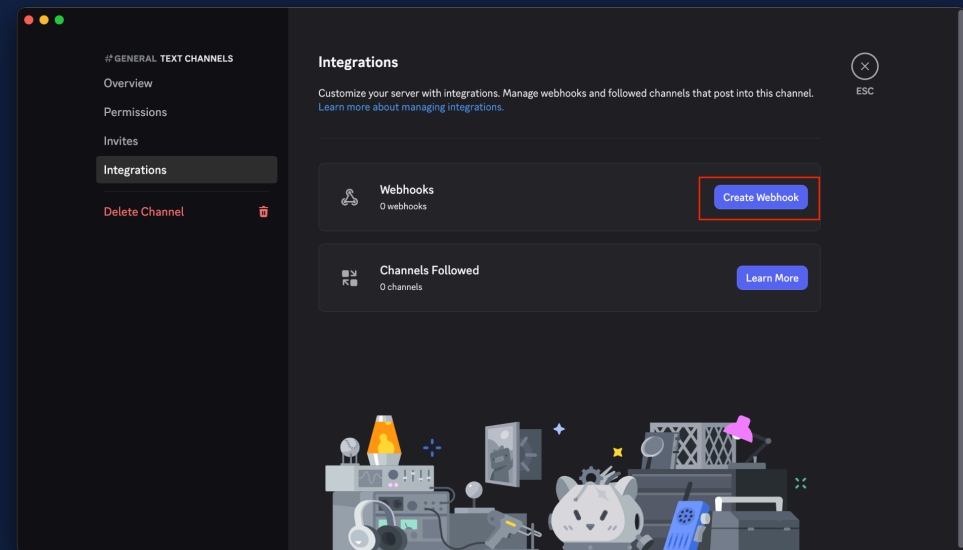

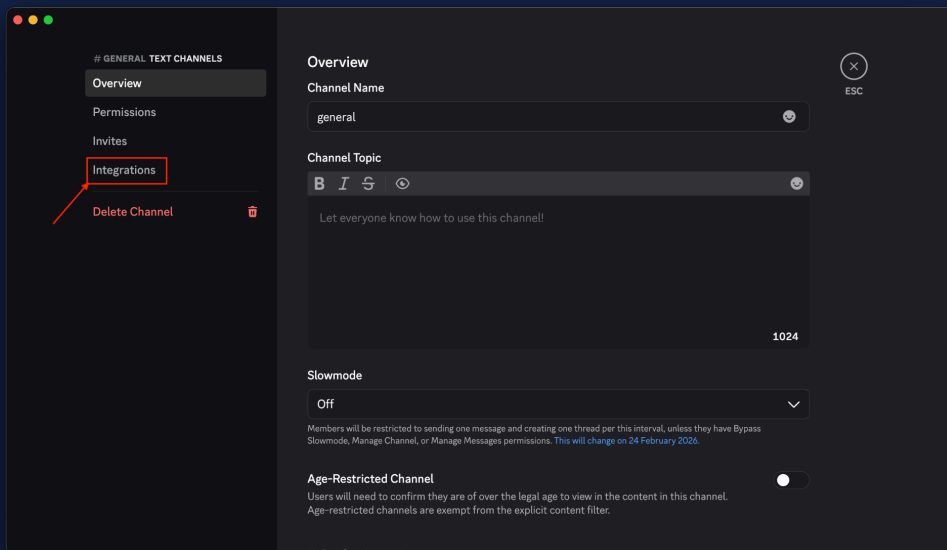

🔒 Your information is secure.

Connect

Step 3: Enter your Discord Channel Webhook

- Go to your Discord Server's "Text Channel" (a channel where you can chat)
- Go to settings:

- Navigate to "Integrations" and choose "Create Webhook":

- Choose the made webhook (you can rename it too) and "Copy Webhook URL"

- Paste it here:

NOTE: The URL will be long

Connect Your YouTube & Discord

Email Address

you@example.com

YouTube Channel URL (or ID)

https://youtube.com/channel/UC...

Discord Webhook URL

https://discord.com/api/webhooks/1468577685898006

🔒 Your information is secure.

Connect

Step 5: Select connect after entering the information

Connect Your YouTube & Discord

Email Address

sample@gmail.com

YouTube Channel URL (or ID)

UC3ZrBYF

Discord Webhook URL

https://discord.com/api/webhooks/1468577685898006

🔒 Your information is secure.

Connect

Step 6: Copy the given URL
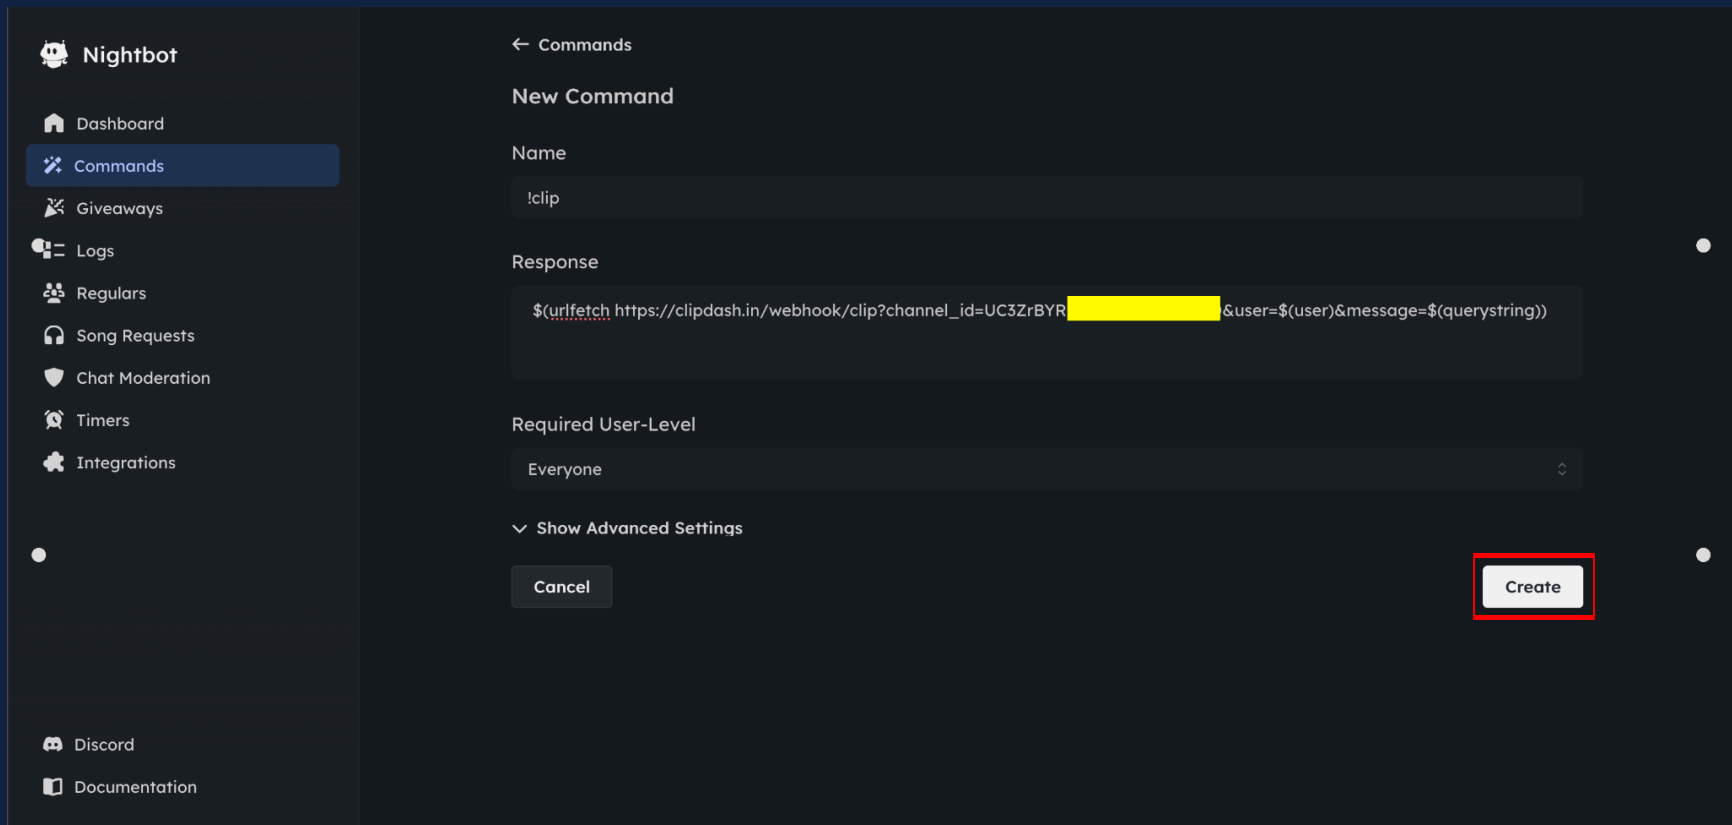

Step 7: Paste in Nightbot

- Login to [Nightbot](#) and go to [nightbot.tv/dashboard](#)
- Navigate to "Commands" on the left sidebar and choose "New Command":
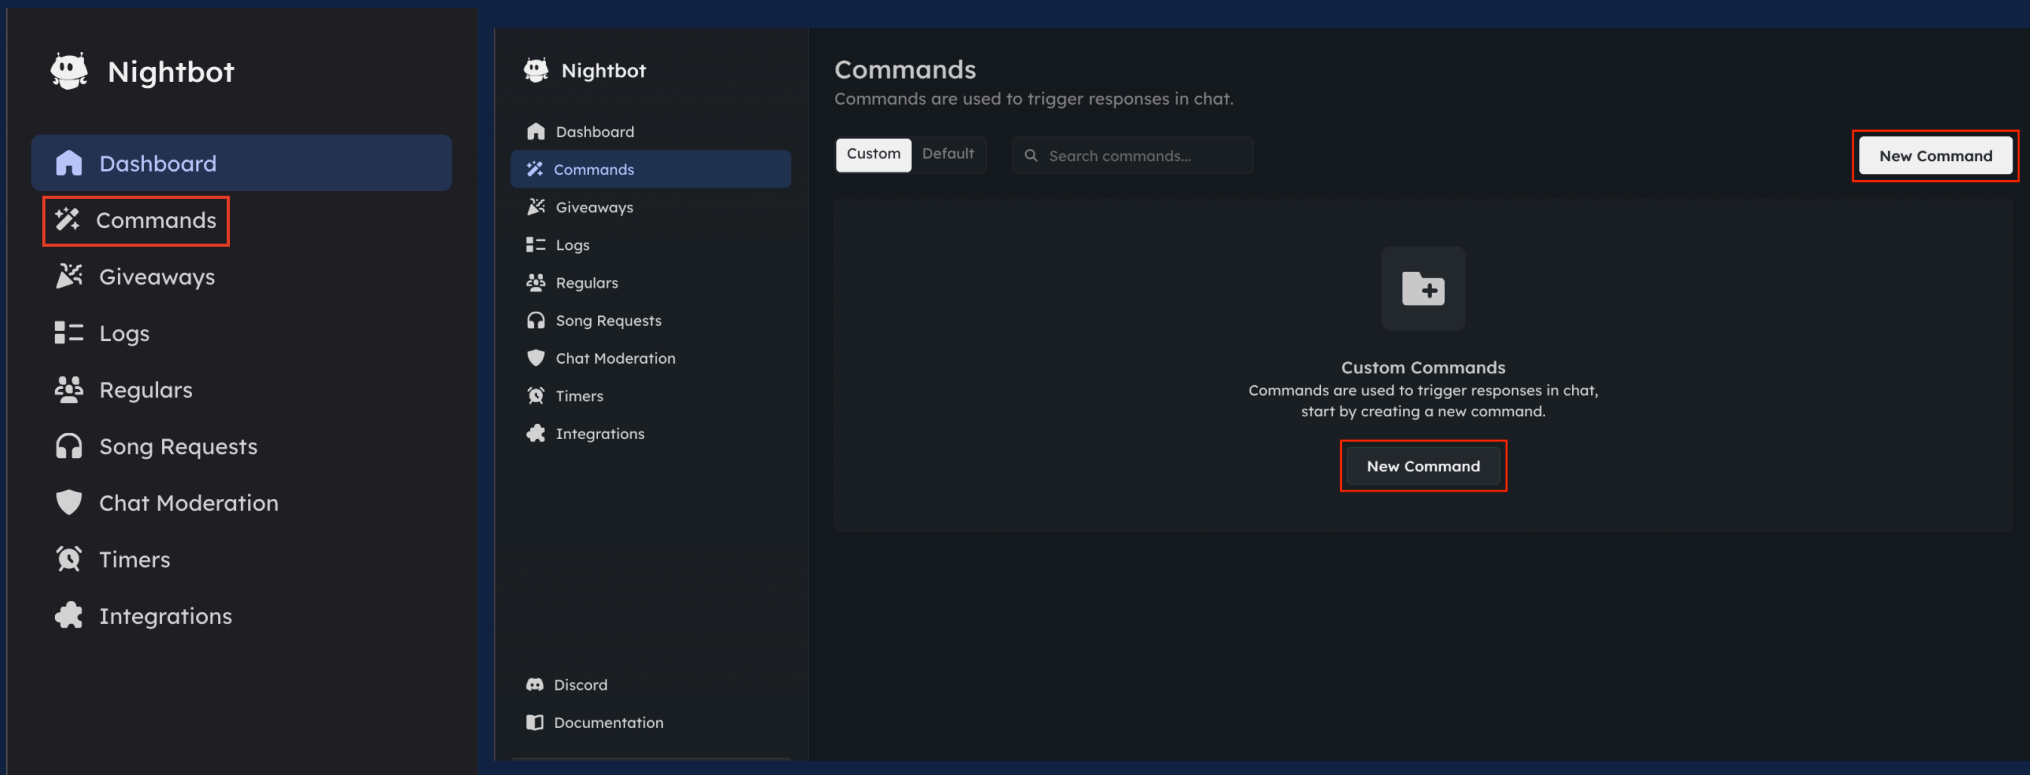

- Enter "!clip" under "Name" and paste the URL under "Response", then hit Create:

(feel free to change the settings of this command)

Usage Instructions:

- Open the Nightbot website to enable the services.
- Type "!clip <message>" in your youtube live chat [you can type any message for the clip too!]
- You will then receive the URL of your clip in your discord chat!
